Extension: Rule 17f-2(e)

SEC File No. 270-37, OMB Control No. 3235-0031

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information provided for in Rule 17f-2(e) (17 C.F.R. 240.17f-2(e)) under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 17f-2(e) requires every member of a national securities exchange, broker, dealer, registered transfer agent, and registered clearing agency (“covered entities”) claiming an exemption from the fingerprinting requirements of Rule 17f-2 to make and keep current a statement entitled “Notice Pursuant to Rule 17f-2” (“Notice”) containing the information specified in paragraph (e)(1) to support their claim of exemption.

Rule 17f-2(e) contains no filing requirement. Instead, paragraph (e)(2) requires covered entities to keep a copy of the Notice in an easily accessible place at the organization’s principal office and at the office employing the persons for whom exemptions are claimed and to make the Notice available upon request for inspection by the Commission, appropriate regulatory agency

(if not the Commission) or other designated examining authority. Notices prepared pursuant to Rule 17f-2(e) must be maintained for as long as the covered entity claims an exemption from the fingerprinting requirements of Rule 17f-2. The recordkeeping requirement under Rule 17f-2(e) assists the Commission and other regulatory agencies with ensuring compliance with Rule 17f-2.

We estimate that approximately 75 respondents will incur an average burden of 30 minutes per year to comply with this rule, which represents the time it takes for a staff person at a covered entity to properly document a claimed exemption from the fingerprinting requirements of Rule 17f-2 in the required Notice and to properly retain the Notice according to the entity's record retention policies and procedures. The total annual burden for all covered entities is approximately 38 hours (75 entities x .5 hours, rounded up).

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
